Supa Laminates is the place where passion meets excellence, creating what can be best described as hallmarks of quality and elegance. One of the top laminate companies in India, Supa Laminates offers world-class laminate sheets in myriads of textures, colours and designs. An ideal solution for both residential and commercial spaces, our laminate sheets come with a number of distinct properties such as antibacterial, fire retardant, scratch and impact resistance and many more attributes that make them a cut above the rest.

We at Supa Laminates are a professionally managed corporate entity under the leadership of our Directors Shobhit Aggarwal /Rohit Aggarwal engaged in the manufacturing and selling of Decorative Laminates, High-Pressure Decorative Laminates & Door Skins as well. We have experience of around 3 decades in this industry and are able to set up a state-of-the-art manufacturing facility in Sampla (Rohtak), which is the Industrial area of Haryana, India. We have a team of professional designers under the leadership of our Design Head and the Think Tank behind all the products, Mr. Rohit Aggarwal who keeps on innovating new designs and its applications. It is because of him, we are able to design some fantastic catalogues, which are widely appreciated by eminent architects, design experts and end users. Our Group consists of two manufacturing facilities. Our Logistics Department is dedicated to delivering all the sheets produced to our esteemed clients on time in different parts of the country. Our Exports Department is focused to develop new markets across the globe and take responsibility of getting the correct quality manufactured and dispatched on time to our overseas clients.

Types : Standard, post forming, compact, cabinet liners, backer
Size : 2440 mm x 1220 mm (8'x4')
Thickness : 0.80mm (x10%)

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

Highlight:
• Design from genuine imported base paper.
• Manufactured using best quality kraft paper.
• Use of best chemical raw materials for better flexibility & durability.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only.
Limited Warranty: Company warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. Our products are used for various applications without the possibility of control over the manufacturing of the finished products. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Do not use nail and hammer while cutting such Corner, Grew, Angle, and Designs.
Use only drill while cutting such Corner, Grew, Angle and Designs.
