© Matching Edge Banding Available

Naturally Artistic

We are glad to introduce our In-House production of Edge-Bands that matches with most of our designs.

Edge banding serves both functional and aesthetic purposes. Functionally, edge bands perform some key duties for your furniture. First, they keep moisture out serving as de facto seals on the edge of the core material. Second, edge banding improves durability and resilience by providing impact resistance.

Edge-Bands are the future of furniture industry and it enhances the decor of your home and office.

In our state of the art manufacturing facility we are able to manufacture world class quality products and can also customize the Edge-Bands for project orders.

Supa Edge-Bands are available in standard size of 22mm x 0.80mm but can also be customized as per project requirements.

Please ask your nearest dealer for Supa Edge-Bands to make your interior decor charming and vibrant.

This is an exclusive range of a resplendently beautiful collection of laminate designs that splash an exemplary touch of articulate renditions for you to cherish for long. Do away with ordinary designs and give way to a touch of panache class that re-invents the forms of laminate sheets to another level altogether. Made with finesse after extensive R&D, this is a collection that revolves around an aura of fabulous touch and emanates an exclusive eminence of distinct class and charismatic style.

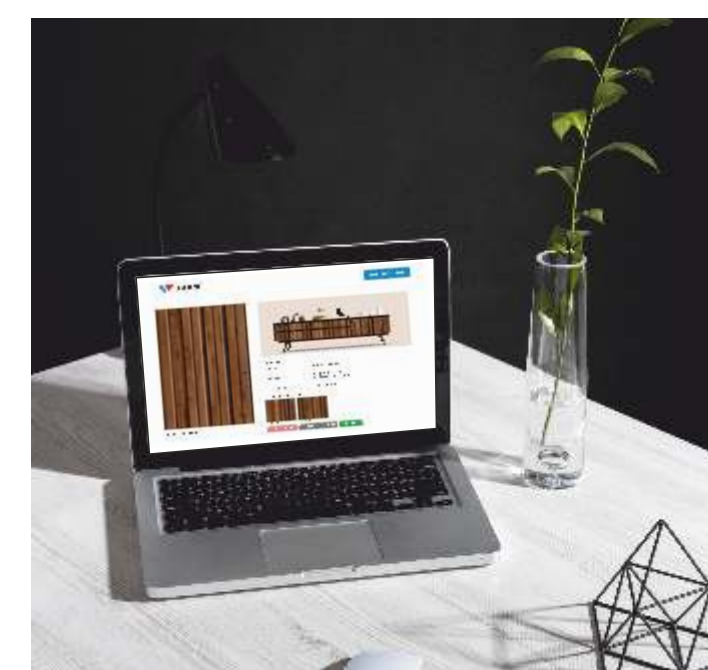

Weave your decor with these stunning laminate designs and see how it reverberates a chord of aesthetics and stylistic quotient of scintillating form. Curated with precision and perfection, this range creates a distinct appeal that's hard to resist. Dwell in opulence and luxury and feel elated with a great style ecstasy.

Experience the showroom without leaving your home or office with our interactive 360° visualization. With just one click, you can get a real sense of the look and feel of our laminates and styles. Our cutting-edge technology provides a 360°-degree view, allowing you to see every detail without any blind spots. This complete view offers an in-depth understanding of the product, providing you with amazing details and a full-circle understanding of our laminate products.
