EXPERIENCE

UNITOP
LAMINATES

GRANDEUR

Step into a world where luxury knows no limits, and elegance is woven into every detail.

ABOUT US

Unitop Laminates is a high-end resource for designers, architects, and those with a passion for creating beautiful spaces. From modernist to minimalist, renaissance classic to avant-garde style, Unitop laminate designs endeavor to provide an uncompromising level of quality and range for new projects, embellishments, or refashioning decor.

Our Decorative laminate collection is a curated bouquet of laminate options selected for their vivid pattern, color palette, and grain details. The collection offers an innovative blend of the finest Indian, Oriental, and Western designs, with unique laminate choices that can elevate and inspire imagination. Chic subtle to underlined luxury, every Unitop laminate can elevate your design spaces into the realm of the iconic. An enduring ode to your signature statement of style.

Types : Standard, post forming, compact, cabinet liners, backer
Size : 2440 mm x 1220 mm [2'x4']
Thickness : 1.00mm(±10%)

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess acids.

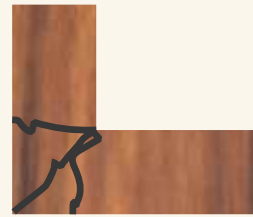

Highlight :
• Design from genuine imported base paper.
• Manufactured using best quality kraft paper.
• Use of best chemical raw materials for better flexibility & durability.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metric patterns series recommended for vertical application only. Limited Warranty: Company warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of one. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. Our products are used for various applications without the possibility of control over the manufacturing of the finished products. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Do not use nail and hammer while cutting such Corner, Grew, Angle, and Designs.
Use only drill while cutting such Corner, Grew, Angle and Designs.

NO CLAIM WILL BE
ENTERTAINED FOR AIR BUBBLES

Cutting a laminate sheet at an angle of 90 degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting at an angle of 90 degrees.

Premium Range of 1.00 MM Luxury
Laminates for your Interior Decor.
